HARRIS CRAMPTON, Editor  
LAUREL NORRIS, Associate Editor  
MARY LOU CLEAVE, Associate Editor  
MISS MARY McKENNA, Adviser

North Central High School, Spokane, Washington

*North Central, North Central,  
Oh, deep from thy rugged walls,  
'Tis a solemn spirit  
Calls thy children true.  
Proudly we sing thy praise  
In these glad high school days.  
Honor for honor due,  
All hail to North Central High.*

## *Something Goes . . . Something Stays*

EVERY day in almost every American town a group of boys is leaving for camp—a military camp. As you pass our service flag here in the hall at North Central, already you see a mute testimony to more than a thousand boys leaving to place all that they are—minds, spirit, and bodies—across the path of our country's armed enemies. They and what they do and have done, and now you, as you join with them in service to your country's need, either as civilians or in uniform, give reason for and meaning to your school.

You graduate in a war year. You are at once faced with violence, with harsh tests of your character and real worth, with the need for level-headed choosing between good and less good, in conduct and service.

As you close up the books, attend the last

classes, or "con", or dance, or meeting, you may not sense the whole meaning of going away. Only later you will look back. This is because something goes with you from North Central: Friendships made here, growth of personality, a sense of your own abilities, and memories of things of happiness and profit in which you had a part.

The rooms, the seats, the halls, the playfield will be filled by others, but much of all you were and did here remains a part of the school. We see it in publications, organizations, art, music, in the labs and in athletics. Something stays. We will be reminded of you. May you return often to share with us your experiences in the greater theater of operations.

## Air Line Stewardess Saves Six Lives

### Concert Features Wynona Pernell, "Met" Opera Star

The fourth concert in the Community concert series last Wednesday at the Fox featured Miss Wynona Pernell, gifted soprano of the Metropolitan Opera company.

Miss Pernell, Mrs. Gene Weller to her Spokane friends, was introduced and welcomed home by our mayor, Honorable Mack Worthen.

The hushed audience sat spell-bound and on the edges of their seats as Miss Pernell, with her clear, bell-like voice, sang the lullaby from "Berceuse," selections from the "Chocolate Soldier" and many other favorites.

Against a flower-decked background, Miss Pernell, dressed in a wine velvet gown, presented a beautiful and impressive picture. In her hair was a small white orchid.

The first to congratulate the "Met" star after her fine performance was Nell Nolen, an old high school acquaintance, now head janitor at the theater.

Accompanist for the concert was Miss Margaret Grumman.

### Four Men Arrested

Four arrests were made Friday and all four were found guilty in Judge Robert Schiffner's court the following day.

Bill Bosch was picked up for speeding on North Division. He pleaded guilty, stating, "I was late for a date and you don't know my girl."

Jerry Isaacson, who confessed his life ambition was to be a bum, was charged with vagrancy and sentenced to clean the city streets for 30 days.

Charged with bigamy was Wayne Worley. Both wives were in the room waiting with rolling pins until the judge was through with him. It seems they won't get into action for about a year.

Wife beating was the charge made against Fred Hanneman, who still insists he was loving her. He was allowed to return home after promising to forego the love making.

### DO YOU HICCOUGH?

A new remedy for hiccoughs has been discovered and tested by Bill Miller.

When you are stricken, drink (water, of course) from the wrong side of the glass. It works every time, according to Mr. Miller.

This discovery is the result of 10 years of research. However, the discoverer is sorry he has found the answer as now he has nothing to do.

### CALLING ALL MORONS!

A club for the preservation and creation of newer and better moron jokes has been planned and organized by Miss Mary Lou Baron and Miss Elaine Monroe.

Membership is open to anyone who believes himself to be a moron and would like to see moron jokes continue for the benefit of generations to come.

Both women are undoubtedly well qualified to be leaders in their chosen field. Anyone that knows them personally will confirm this statement.

### Buchanan Appoints Three Committees to Beautify the City

Otis Buchanan, president of the Spokane Junior Chamber of Commerce, has recently appointed three committees for the beautification of the city, according to Miss Phyllis Reinhardt, his secretary.

The work is to start right away in order to prepare the city for the throngs of visitors that will come to the state fair which will be held in Spokane this fall for the fourth consecutive year.

Committee heads are: Leonard Ferguson, in charge of the street sweepers and cleaners; Gilbert Barker, parks and landscapes; and Mark Youell, hospitality chairman.

### D'Assissi Celebrate Wedding Anniversary

Mr. and Mrs. Lawrence D'Assissi (the former Patty Green) celebrated their fifth wedding anniversary recently with a buffet supper at the home of Mr. and Mrs. Dale Harter (the former Phyllis Springer), 2714 Southwest boulevard.

Guests included the Rev. and Mrs. Jack Evans, minister and organist at the wedding; Miss Jean Smith, dean of Smith's College for Women Morticians; Miss Peggy Crosby, dumb-bell instructor at the Y. W. C. A.; Miss Margaret Kosnick, now personnel manager at Saks Fifth Avenue, New York; and John Gaines, dance instructor.

### Navy Plans Picnic

A picnic for the former members of the U. S. Navy and their families is being planned for next Sunday at Newman Lake. Committee in charge of arrangements includes Bob Bresgal, Harold Manos and Ed Powell.

A new theme song, written by the committee, will be introduced at this time. The title of this masterpiece is "I Must Go Down to the Sea Again, the Lovely Sea and No Wife."

### Stratoliner "Mars" Crashes On Mt. Moturkill at 3 A.M.

Six lives were saved early this morning due to the heroic efforts of Miss Naomi Monette, stewardess on the stratoliner "Mars." The tragedy occurred shortly after 3 a. m., when the ship crashed on the side of Mount Moturkill.

When the plane crashed, it immediately burst into flames and only by the cool-headed supervision of Miss Monette were the passengers saved.

Cause of the accident is still unknown, according to the pilot, Miss Marcella Christian, one of the first women to fly for the Mars Airline company.

Death came only to a rare bird that William Somerville and Robert Cockburn, famous wild life explorers, were bringing to the San Francisco Zoo from Africa.

Other passengers were Mile Mandick, oil tycoon from Amarillo, Texas, and his private secretary, Miss Phyllis Blundell.

The eminent lecturer on "The Beauty of the Bee," Miss Eda Lewis, was also on the ill-fated ship. Suffering from shock, she was taken to a local bee farm to rest.

### Orphans Entertained By Legion Members

Orphans at the Spokane Children's home were entertained last Sunday by members of the American Legion and auxiliary.

One of the highlights of the program, a baton twirling exhibition which received a big hand, was expertly performed by the master of ceremonies, Y. T. Henderson.

A sketch on "Why Husbands Join the Army" was given by Miss Elizabeth Davis, well-known comedienne.

Guest star was Areta Dorn, talented dancer and movie star, who is now home from Hollywood on vacation. When the famous idol's identity was revealed, shrieks of joy and surprise came from the juvenile audience. (Almost as bad as the swooners back in Sinatra's day.)

After Miss Dorn refused her tenth curtain call, refreshments were served by members of the organization. In charge was Miss Ruby Wilson, chief cook and bottle washer at the Davenport.

### Recovering—

Miss Esther Buchanan and Miss Lynne Staples are convalescing at a local sanatorium from injuries received several years ago after writing a class prophecy for their senior class in high school.

It is reported that they are both doing as well as could be expected.

## Johnson Appointed Instructor at W. S. C.

Robert L. Johnson, former Spokane man and graduate of North Central high school, was recently appointed as botany instructor at Washington State college.

Mr. Johnson has been a research worker at the New World laboratories since his graduation from W. S. C., five years ago. He is credited with the perfection of the seedless flg, which is no doubt a perfection that is very valuable to the world.

Assistant instructors are Miss Betty Cox and Miss Ruth McRoberts, who are equally buggy on flowers.

## B. Wilson Forms All-Girl Orchestra

The latest thing in Spokane music is the All-Girl orchestra, organized and directed by Bernard Wilson.

The orchestra is booked for a concert tour throughout the entire Northwest very soon.

Members of the "wind" section who are originally from Spokane are the Misses Ruth Emch, Betty Lee Olson and Helen Turnley. Outstanding feature of all three young ladies is the fact that they are terribly long winded.

Most of the credit for the excellence of the group goes to its director, Mr. Wilson, an accomplished musician, who has received a number of scholarships and has his master's degree in music.

When asked why he formed such a unique organization, Mr. Wilson replied, "I guess it was my love and adoration for all women. I have great faith in their possibilities and firmly believe they are here to stay."

## Actresses Appear For League

Taking part in the Junior League's annual celebration were Miss Marjorie McAlpin and Miss Lillian Smith, well-known Spokane actresses.

Miss McAlpin, a resident of Hollywood for the last two years, has returned to the home of her parents, Mr. and Mrs. R. J. McAlpin and will remain there indefinitely. Miss Smith is leaving Spokane shortly for a trip to New York, where she will work in the legitimate theatre for the remainder of the season.

## Learn to Dance!

### PALADIUM SCHOOL of DANCING

Recently Discharged G. I. Instructors—George Caruso, Rodney Derr, Don Griffith, Don Pierce, Ralph Sacco, Chester Towne, Delbert Tryon.

The final game of the 1951 professional football season between the Red Bay Packers and the mighty Michigan Miners resulted in a sweeping victory for the Packers. The Michigan boys put up a hard battle but were unable to beat the Red Bay backfield combination of Don Swanson, Bill Arnold and Vernon Murbach, backbone of the team for the past two seasons.

The three boys, before taking up pro football, were workers in the Spokane Television company and became interested in football observing games through the television screen. All had a natural ability for the sport and easily made places for themselves on the Packers' second team, later being transferred to the first string.

Yesterday's game was the last for Murbach, as he is joining the Foreign Legion. Both Arnold and Swanson will be back next year to lend their strength and do big things for their team, which needs all the help it can get to overcome the other pro teams that show great promise for the coming season.

## Beckmann Awarded Pulitzer Prize

A Pulitzer prize was awarded yesterday to Dr. Robert Beckmann, veterinary, for his skill and general knowledge in working with and curing diseased dogs.

Beckmann merited his award through his fine work in curing a dog stricken with the dread disease, canine pox. The animal, owned by Miss Marjorie Mellugo, was proclaimed a hopeless case by several well-known veterinarians before Dr. Beckmann took the case.

Upon receiving the prize, Dr. Beckmann stated, "I owe my success to my high school chemistry teacher, Ernest L. Hix, who really knew how to treat a poor dog."

## Osterback Wins Boxing Title

Word has been received from Madison Square Garden that Miss Eleanor Osterback is the women's boxing champion for 1954.

The title was won from Miss Doris Kennedy. Both women boxers are former Spokane girls.

According to facts, the fight was a knock-down, hair-pulling affair. It wasn't until the seventh round that Miss Osterback made the decision by completely knocking out her opponent.

Fighting ability of both women is credited to the fact that they both had lockers "in the last room" while attending North Central high school.

## Fyhrie Returns From Campaign

George Fyhrie, candidate for the presidency of the Bankers' Association for the Preservation of Aluminum Tax Tokens, returned yesterday from a campaign tour of the Northwestern states, according to his manager, John Zarnekee.

In a statement to the press, Mr. Zarnekee stated "Although the tour was not scheduled to end until the last part of June, illness prevented completion at this time."

Mr. Fyhrie, youngest man to run for this office, is a graduate of North Central High School and Washington State college. He has been with the Old National Bank for the last five years, advancing rapidly to the position of head teller, head accountant and now manager of the secretarial staff.

Mr. Zarnekee, also a graduate of North Central, has been a close personal friend of the banker for a number of years and took time from his own job, as dealer of sporting goods, to assist Mr. Fyhrie in his campaign.

# January Class Will

WE, THE graduating seniors of the January '44 class, being in a bold and daring mood, do hereby take liberties to will and bequeath to those unfortunate underclassmen such things as we see fit. As we are in a foggy state of mind, we make haste to publish and declare this our last document here at North Central.

In departing from these halls of learning Janice Mitchell leaves a good racket to all you underclassmen who plan to go a "courtin'".

Juanita Bryan, we are glad to say, passes on her ability to "grab" the opposite sex to any frosh who might use it as handily as she has.

Mary Thorpe leaves her sister.

To Mrs. Dunphy goes Doradyne Culver's red hair to be used for Color Week.

Beth Crawford, Shirley Steffer and Beverly Castle leave together.

Ruth Dayton leaves her lovely blond hair to Bob Lyons who needs some more.

The quiet shy ways of Colin Fincher go to Helen Nelson.

Charles Somerville leaves North Central "almost" as he found it.

Esther Buchanan leaves to all you aspiring musicians her ability to get along with a bull fiddle.

Lovely Princess Pat Martin leaves a splendid example to all future football princesses.

Maryella Stevens leaves looking for a "win."

Bob Parker's way with the women goes to Tommy Hicks.

The shyness of Evelyn Pohle is handed over to Pat Halstead.

"Twinkle Toes VanderMeer" leaves his dancing grace to Morris Keefer as he departs for Sunny California.

Dorothy Gemberling leaves her refrigerator personality to any girl whose escort might get "ideas."

Norma (Juliet) Heisner leaves her "Romeo" to the next year's Shakespearian actress.

A few gray hairs are left by Lucille Campbell to the next prompter in the operetta.

Shirley McElroy reluctantly leaves her flirting ability to Pop Rice who doesn't need any particular help.

Walter Barland passes his ability to ask endless questions in psychology class to some of Miss McRae's future scholars.

Verna Weaver leaves N. C. to join Fred Hubbell.

Marilyn Berggren and Margaret Kaufmann leave for Farragut. Oh—those lucky fellows!

A winning smile is left to Mr. Randall by Rose Cline.

Bruce "Mortimor" McRae gladly wills that middle name to some unsuspecting frosh.

Johnilea Ashley passes her straight A grades to the football team. Those linemen could use a few.

Edith Ent bequeaths her soothing voice to Barbara Ruby.

Jerry Klise leaves hand in hand with Shirley Reinhardt.

Jeannette Rapp leaves her popularity as a real blond to Doris Nelson who will carry on we hope.

Verdelle Green has agreed to leave her master mind to anyone who can make good use of it. "One at a time please."

Elaine Smith leaves her good tennis ability to Barbara Christenson.

Martin Stickels, Floyd Sander, and Howard Lanphear leave their dirty cords to the male teachers here at school.

Dorothy Bradrick leaves to become a nurse. To Bill Washburn goes Merideth Cole's "muscles."

Victor Chimienti, member of the ground squad, leaves North Central's grounds much cleaner.

Shirley Ann Olson leaves school but manages to take with her half of "Brad's" drum major staff.

Ray Nelson, in good shape, leaves school running in case the teachers should change their minds.

Betty Mors leaves her ability to catch the "boots" while roller skating to her younger sister.

George Moon leaves that blond hair of his to Laura Eger.

Verna Bates hands over her shorthand experience to Mary Jane Nelson.

Lois Goings leaves to help fight fires with the Forest Rangers.

John VanderGaag leaves that little coupe to the scrap drive.

Bob E. Johnson leaves his deep bass voice to Miss McKenna, the better to berate the news staff.

Warren Miller leaves his ticket selling ability to Bob Beckman.

Lillian Womach bequeaths her brother to the school.

Everybody Welcome

Twenty-five couples turned out Tuesday evening for the annual bridge tournament at the Spokane and Kludergarden club. The tournament is sponsored by the Athletic Square Table and will continue for the next three weeks.

A luncheon was held for all those intending to participate in the tournament. Franklin Beswick, president of the Athletic club, is in charge of all arrangements.

"The following rules will be enforced: Auction bridge will be played, according to contract rules; all those using the Oregon convention will be penalized by horse sense; grand slams will not be permissible because they appear with such consistency that it slows down the games," stated Mr. Beswick.

Door prizes will be contributed by the following leading stores of this city: V. J. Patterson, Arlyne Flower Shop, and the Marvin Car(r) Company. The winner will receive a book entitled, "How to Win Bridge Games and Infuriate People." The second prize will be a genuine antique bridge plate, and the booby prize will be six records of Frank Sinatra's rendition of "All or Nothing at All."

Among the honored guests attending the luncheon were: Franklin Bruce and his fiancée Marle Hootle and Mr. and Mrs. Pat Davy.

We still maintain that the shortest distance between two dates is a good line.

## Associated Student Councils

THE ASSOCIATED STUDENT councils, composed of the executive council of the Boys' Federations and the Central council of the Girls' League, spent a busy year sponsoring school projects and supervising the governmental problems of the Red and Black.

During the week from Nov. 1 to Nov. 5, the A. S. C. sponsored Color Week. The halls were decorated with red and black streamers, and ribbons were distributed to the student body. On the committee to decorate the halls were: Maryella Stevens, Fred Hammeman, Pat Martin, Larry Nobles, Owen Richardson, Seymour Murray and Eileen McDougall. The ribbons were made by Marilyn Lincoln, Marjorie McAlpin, Juanita Bryan and Marjorie McHugo.

One of the main features of the week was a dance held in the gymnasium with the Pep band furnishing the music.

Two parties were given during the year, one each semester, for the members of the League and Federation councils, senior committeemen, senior counsellors, senior members of the traffic and ground squads, senior yell leaders and senior members of the News staff. In the fall, the party, which was held at the Unitarian church home, carried out a United Nations theme.

Several dances were sponsored by the group. One, presented on Nov. 10, in the gymnasium was the Sadie Hawkins Day mixer. On Dec. 3, the A. S. C. sponsored the Varsity Ball to honor the members of the football team. Tickets were red suede paper forming "N. C." They were fastened with black tassels. In charge of both dances were: Phyllis La Pointe, Ellen Woodward and Larry Ellison. Claude Myhre's band was the committee's choice for the music.

Another mixer was held in the spring on April 5, with Eileen McDougall heading the arrangements.

## Junior Red Cross

THE JUNIOR RED CROSS, with Miss Bertha Boehme as faculty adviser, collected \$374 in their membership drive at the beginning of this year, the second that North Central has sponsored the group. In addition, they successfully completed drives in connection with the Red Cross War activities and other relief societies.

Some of the drives included: The collection of leather pieces for use at Baxter General hospital; nut cups and tray favors for Christ-

mas and Thanksgiving dinners at Baxter; puzzle games, checkers and dominoes for convalescent service men; clothing for the Russian Relief society; joke and story books for army hospitals; phonograph records for service men; needles for army sewing kits; coat hangers for army use; bulbs, potted plants and vases for army hospitals.

Under Red Cross supervision, a number of students volunteered their services at the rationing board. They contributed 150 hours. In January, a class for home nursing and a service program at the Junior Red Cross hospital were sponsored by the group.

Officers for the fall semester were: Pat Martin, president; Fred Hanneman, vice president; and Helen Fullenwider, secretary. During the spring semester the heads were: Mary Lou Cleave, president; George Oatman, vice president; and Jane Sabiston, secretary.

## Student Conduct Board

THE STUDENT CONDUCT board was organized in 1923 to provide a means by which students would participate in conduct control. Members of the board are chosen by the Girls' League and the Boys' Federation presidents, subject to approval by the Associated Student councils. The board is under the supervision of Lowell C. Bradford.

A commission form of government was established, the board as a whole having legislative and judicial duties in making rules and trying cases and its six members having individual duties. It has jurisdiction over stu-

FALL AND SPRING LEAGUE OFFICERS

## *Girls' League*

THE GIRLS' LEAGUE was organized in 1918 by Miss Jessie Gibson, now Dean of Women at Pomona college. Its emblem, which is reproduced on the pins, includes an American flag, representing honor; the head of a young girl, service; and the Red Cross flag, loyalty.

The League is divided into eight departments. The student heads of these departments along with the committee and floor chairmen from the Central council, which supervises the work of the organization.

Departments included in the League are: School service, library, senior counselors, big cousins, Color Girls, room representatives, physical education and Red Cross.

The Central council sponsored a Pearl Harbor week bond campaign to buy a flying jeep. The drive was a huge success, with the war bonds and stamps sold totaling \$3000. Maryella Stevens was in charge of the war stamp dances before school. Mary Lou Cleave, Lynne Staples and Lois Sullivan were on the committee heading arrangements for noon-time entertainment and sales in the cafeteria.

This semester, the Council also sponsored a convocation to help the Red Cross. On the committee in charge were: Kathleen Kohles, Shirley Lindquist and Laurel Norris.

To earn a place on the Girls' League honor roll, a girl must have grades of "C" or better and earn ten League points for service in some department of the League. When a girl has been on the honor roll two times, she receives a bronze pin; four times, a silver pin; six times, a gold pin; and eight times, a gold pin with a ruby.

FALL AND SPRING FEDERATION OFFICERS AND DEPARTMENT HEADS

## *Boys' Federation*

TWENTY-SIX years ago the Boys' Federation was organized by Lowell C. Bradford to promote activities among the boys at North Central. Mr. Bradford has been, and is at present, the adviser.

FALL AND SPRING COMMITTEE CHAIRMEN

New in the activities of the Federation this year was the supervision of the service flag. Individual records of men and women in the service who formerly attended North Central, are compiled, and from this list, the facts for the service flag are obtained. The flag has two large stars under which are placed numbers, the numbers under the blue star representing the total in service, and those under the gold star representing those who have sacrificed their lives.

Four departments are included in the Boys' Federation. They are: School service, which includes committees on advertising, alumni, fire squad, Comanche guard, rooters, tickets, ushering, transportation, supplies, and stenography; community service, under which are committees on the Red Cross, service flag, grade schools, News service, civic affairs, philanthropy and entertainment; personal service, including committees on dances, fellowship, new boys, skating, welfare and recreation; and vocational.

The fall officers were: President, Dick Nygaard; vice president, Dal VanderMeer; clerk, Lee Wright; treasurer, Bob Parker; and financial secretary, Frank Miyaki. Heading community service was Cliff Schultz; personal service, Dick Soth; school service, Jack Henry; and vocational, Don Erickson.

The spring semester officers were: President, Orin Stratton; vice president, Cliff Schultz; clerk, Bob Allen; financial secretary, Jack Henry and Lee Wright; and treasurer, Frank Miyaki. Head of community service was Harris Crampton; personal service, Shirley Stablein; school service, Don Ericson; and vocational, Ernie Gerlach.

## Traffic and Grounds Squads

THE TRAFFIC SQUAD was organized in 1920 by Lowell C. Bradford, boys' adviser. The duties of the squad are to prevent students from running, loitering, yelling, or causing confusion in the halls or on the stairs.

In 1931, eleven years after the traffic squad was founded, the grounds squad was organized. The duties of this squad are to keep the grounds surrounding the school free from waste paper, to see that no one smokes on the school grounds, and in general, to keep order outside the building.

The Comanche guard was organized to patrol athletic contests, to keep order and to prevent anyone's entering without a ticket. The aim of these three organizations is to see that the students so conduct themselves that they neither discredit themselves nor the school.

These groups are now under the direction of Charles R. Randall, who this last fall succeeded C. A. Chandler in their supervision.

The squads come under the school service division of the Boys' Federation. The fall head of school service was Jack Henry and the spring head, Don Ericson. The fall officers of the traffic squad were: Commissioner, Pat Caulfield; captain, Art Cosby; lieutenants, Jack Weller and Walt Gustafson. The spring officers were: Commissioner Art Cosby; captain, Jack Weller; lieutenants, Walt Gustafson and George Beck.

The fall officers for the grounds squad

## Merry-Go-Round Football Stunt

THE RED FEATHERS, under the direction of Miss Elsa M. Pinkham, spent a busy year marching in parades, giving football stunts and making numerous other public appearances.

Their first performance was at the Merry-Go-Round football game at Gonzaga stadium when they joined with the band in presenting a salute to the pan-American union entitled "Good Neighbors."

The highlight of the presentation was a bull fight in honor of

Mexico. The Red Feathers formed a circle while Virginia Greenough, dressed as the torreador, and Dorothy Johnson and Dorothy Piper, disguised as the bull, engaged in battle. Other features included a Brazilian number in which the girls formed a huge sombrero, an Indian dance performed while the girls were in V formation, "La Conga"—a salute to Panama, and the finale, "Uncle Sam Unites with His Neighbors."

Pat Martin was elected football princess. Her attendants were

## Color Girls

TO FORM a cheering and color section at games and a marching unit in parades was the purpose for which the Color Girl group was organized about seven years ago. It is an honorary organization composed of 70 freshmen and sophomore grade girls who have met the necessary scholastic and citizenship requirements.

Under the direction of Mrs. Gladys Dunphy, the Color Girls have made this past year an especially active one. Carrying out a pa-

triotic theme, the group presented a convocation on November tenth in which all members participated. They marched with the band and Red Feathers in several parades; and at the request of Major Morrill K. Brewster, they assisted in a retreat ceremony Dec. 11 held at the flagpole on Riverside and Monroe. Marching behind 100 WACS from Geiger and Felts fields, the Color Girls carried the flags of the United Nations.

## *English Studies Pepped Up*

THE ENGLISH department added something new this year, a conference room open to all students. Room 209 has been the scene of lively panel discussions and forums on many literary subjects. Students have enjoyed expressing their own views, and hearing those of others.

Another of the interesting studies is the vocational survey work in English 6. This survey utilizes tests on preferences, clerical, and mechanical aptitudes, as well as tests of other abilities. Results are recorded by the student on a chart, which helps him to obtain an extensive picture of the occupation he should follow in later life.

## *New Slant in Commercial*

BOOKKEEPING, shorthand, and other commercial subjects are getting that war time twist. The commercial department is adapting its studies to meet the needs of the war effort.

Shorthand characters for new war terms are being adopted. Instruction in the types of correspondence forms used in the services are also included in the up-to-date courses.

Six subjects are taught: Bookkeeping, Business English, Shorthand, Typing, Business Law, and Office Practice.

War Bond sales are handled exclusively by this department. Students are chosen from the commercial classes to operate the booth in the main hall every morning and to keep sales records.

## *Math Courses Now Include Aeronautics*

ENROLLMENT in the North Central mathematics classes has increased during the past year, according to P. H. Nygaard, department head. Of those enrolled in the department, 60 students are studying aeronautics courses.

The aeronautics 1 class studies topics on civil air regulations, navigation, meteorology and theory of flight. Aeronautics 2 features advanced training in the same topics and includes celestial navigation, power plants and the use of computers.

"Our aeronautics courses cover much of

the same material which is given to Army and Navy aviation cadets," said Mr. Nygaard. "Many of the boys who have taken these classes have passed the Air Corps mental tests."

In the geometry classes, a small topic on navigation is included. The problems are based on the laws of the parallelogram and serve to teach the students the practical value of their studies. In this connection, members of the classes construct wind vector triangles to calculate ground speed, true heading of the plane and other similar phases of navigation.

## *Science*

THE SCIENCE department is one of the most popular in the school. Even though only one year of science is necessary for graduation, there were approximately nine-hundred students enrolled.

Courses are as follows: First year, general science 1 and 2; second year, biology 1 and 2; third and fourth year, physics 1 and 2 and chemistry 1 and 2.

The sciences give the student a chance to put his mathematics to a practical use. He works with the apparatus and equipment which enable him to become more familiar with the principle he is studying.

## *Social Studies*

MOTION PICTURES representing different phases in United States history have been shown in social studies classes this year. Charles R. Randall is the faculty member in charge of the projection machine and obtaining the educational films.

Some of these films are borrowed from the rapidly growing library of School District 81. Other sources are Washington State College and other colleges and universities which have film libraries.

The social studies department is not the only department that uses this service. A catalog which lists the films for all subjects, is available for teachers to select suitable reels.

## *Manual Arts All Out for War*

THE MANUAL ARTS department has a war production record all of its own. During the fall semester and the first part of the spring semester two-hundred model planes were made for the army. These models are used by the armed forces to teach aircraft identification.

Baxter hospital needed some devices to aid the convalescents with craft work. The Manual Arts department, under the direction of J. D. Youngman, turned their efforts to this and produced hand looms, a dolly for the piano to move it from room to room, a utility wagon to carry heavy craft supplies and two-hundred weaving frames.

The ration board was in need of some device for handling ration stamps more conveniently. A dispenser was designed by this department and several are now in use.

The shop courses are 1, 2 and 3. Shop 1 is the first semester course. Students in this class construct small articles such as coffee tables and gun cabinets. In shop 2 and 3, the sky is the limit on articles to be made if the student is capable of making them.

## *Art Students Busy in Every Activity*

THE ART DEPARTMENT under the direction of Miss Ethel Ashley and Miss Caroline Riker has many duties to perform other than the regular run of class studies.

Courses include Art Appreciation, Craft 1 and 2, Jewelry, and Art 1 to 8 which includes Design, Color, Sketching, Lettering and Composition.

The largest undertakings of the classes this year included the decorating of the stage for the Doll Shop, the operetta, the senior class play and miscellaneous productions. The art work done for the Doll Shop was especially outstanding.

The colorful posters and signs advertising the many different student activities represent the efforts of the art students. Bond drives, band concerts, Red Cross drives, and athletic events are all brilliantly announced by important looking posters. Menu cards, Christmas cards, Easter cards and booklets have been made for the Red Cross.

Art work and art advising for the Tamarack is done by the Art department. Hours are spent in measuring, trimming and pasting the pictures to prepare them for the engravers.

## *Models Enliven Language Studies*

MODELS and exhibits are used in the language classes to enable the students to become more familiar with the country and the people whose language they are studying.

In Miss Helen Prince's Latin class, some of the most outstanding models have been constructed by the students themselves. One model of a Roman house, of the Patrician class, is complete in almost every detail. Even to the loaves of bread in the front shops to the extravagant wall designs, the likeness is carried out with meticulous care by the modelers.

As one enters the room, where Spanish is taught by Miss Bertha Boehme, he at once becomes interested in the colorful array that meets his eye. The students work in a room with a decided Castilian atmosphere. Bits of Spanish life with its color and gaiety decorate the room from top to bottom.

These displays are instructors in themselves. The exhibits and models make a language a vital and extremely interesting study. The knowledge of languages is becoming more and more important.

## *Operetta Costumes Part of Home Ec. Classwork*

DESPITE the war-time difficulty of obtaining materials, the home economics department, headed by Miss Bessie Graham, found ways of carrying on their projects.

The clothing 3 class of Miss Emma Dalquest for their work this semester remade old clothes. Some of the problems concerned cutting down to size a dress that was too large, making an old coat into a finger-tip jacket, and transforming men's suits into women's suits to fit the girls. In making new clothes, the girls made "simplicity" their standard and conserved ma-

terial by doing away with frills, ruffles, and pleats.

War-time ideas were introduced also into food classes this past year. The girls have been taught how to prepare low point meats, how to cook meat so as not to lose any of its food value, and how to prepare meat-extended recipes.

Under the direction of Miss Agnes McHugh, costumes for the operetta and the Doll Shop were designed and made by the costume class.

## *Seniors Toughen Up in Gym Course*

THE PHYSICAL EDUCATION DEPARTMENT, under the direction of J. Wesley Taylor, has gone on a war-time basis by changing period four into a pre-induction physical fitness period. This course is required for every senior boy, unless he is physically handicapped, or has unavoidable conflicts with other pre-induction courses.

The program includes exercises and games to develop strength, endurance, stamina, body coordination, and physical skills that will be of direct value to the

graduates who enter the armed services or war work.

Physical activities include aquatics, gymnasium, combatives and sports—all designed to give the boys the extra strength and stamina that will be needed in the near future. Classes of a less competitive nature, but just as necessary are hygiene, health, first aid and life saving.

The opening of the swimming pool at North Central has greatly helped to round out the program. The pool is used two days a week by the senior gym classes who receive instruction in aquatics and life saving.

This program is essential not only for those expecting to go into the armed services, but for those taking employment in agriculture, industry, commerce, domestic services, or other occupations.

has overcome the greatest obstacles during her high school days.

Many of the members have been assisting the Red Cross by rolling bandages one afternoon a week. Another of their projects this semester was a candy sale.

## North Central Band

THE BAND, with the large enrollments of 117 in the fall and 120 in the spring, made over 60 ap-

pearances during the year.

As their annual half-time stunt at the Merry-Go-Round football game, the band with the Red Feathers presented acts typical of South American countries and featured a Mexican bullfight. The spring semester held for them such activities as presenting their fortieth semi-annual formal concert, and participating in the all-city music festival.

Other activities included marching in five parades, playing at six football games, pre-

eighty-six

senting a convocation, furnishing the music for the Armistice day Memorial service, and sponsoring a War Bond campaign that brought in over \$9500, three times the amount raised in any of the other school campaigns.

Among their many activities were playing for pep convocations throughout the year, for basketball games, for dances held before school in connection with a loan drive, for the Chronicle-Fox football rally and for the Doll Shop. ## Orchestra

THE ORCHESTRA with a membership of 40 this semester, is under the direction of C. Olin Rice, head of the music department. The purpose for which this group was organized was to provide a musical unit that would be ready to play for graduations, baccalaureate services, class plays, and other school activities whenever needed. In past years, the orchestra has always participated in the annual spring music festivals along with the band and choral groups, and furnished the music for the fall operettas.

The orchestra played at both the fall and spring baccalaureate services and fall and spring graduation exercises. The music for the operetta, "Blow Me Down," presented Dec. 10 and 11 in the school auditorium, was also provided by this group. In May, they participated in the large all-city music festival which was presented in recognition of National Youth week. They also played several numbers at Open House, Nov. 16.

## Three Fives

THE THREE FIVES, with its membership of 15 girls, is a group, which provides musical entertainment for the school, in convocations, the music festivals, and other activities, and also for outside groups. The group has appeared before the Lions' club, the Rotary club, the High Noon club, the Junior Chamber of Commerce lecture series, and in various churches since its organization by C. Olin Rice, director. This year the Three Fives also participated in the all-city music festival which was presented in May in connection with National Youth week.

Three Fives is an honor organization, and the girls must pass in tryout tests before becoming members. Every Tuesday, Wednesday, and Thursday sixth period, the girls meet to practice. When appearing before a group, the girls wear white sweaters on which are sewed musical emblems.

jorie Scott, and Doris Lohr; and alto, Betty Hix, Patience Shroeder, Mary Koch, Patty Rule, and Susan Jacobsen. Two girls, Juanita Bryan and Wynona Pernell, were members before their graduation in January.

The dedication, which was written by Principal F. G. Kennedy, read: "We dedicate the 1944 Doll Shop to one whose musical compositions have lent beauty and originality to these programs; to one whose helpful and encouraging advice and indispensable orchestral support have made them possible; and finally, to him in whom

is combined a fine mastery in his field and a real love and talent for work with young people, C. Olin Rice."

The story was centered around Bob Martin,

who had been wounded in action and honorably discharged from the navy. When he returned home, he and grandparents opened a Doll Shop in which they sold dolls that Bob had collected from all parts of the world during his time in the service. Virginia, Bob's society-minded sister, did not understand Bob and constantly urged him to return with her to Boston. Jake and Stan, two of Bob's sailor buddies came to visit him during their leave and encouraged him and helped him in his Doll Shop. The little girl customers added much to the merriment of the shop.

In charge of the stage constructions and the lighting effects for the performance were the members of the stage crew who are: Dan Crandell, manager; Ernest Gerlach, electrician; Jeff Overholser, assistant electrician; Jim MacDonald, projection booth; Shirley Stablein, curtain; Laurence Sjoberg, flyman; Lynn Deno, assistant.

## *"Blow Me Down" . . .*

"BLOW ME DOWN" presented in the auditorium on Dec. 10 and 11 under the general direction of C. Olin Rice was the thirty-second annual operetta to be given at North Central.

On the production staff were: Mrs. Grace Douglas Leonard, dramatics; Miss Elsa Pinkham, ensemble and dancing coach; Miss Agnes McHugh, wardrobe adviser; Miss Ethel M. Ashley, scenic decorations; W. H. Chapman, scenic constructions; and C. R. Randall, business adviser.

Leads in the production were: Forrest Henderson, Jake Smithers; Claire Story, Ben Barnacle; Eldred Clausen, Portugee Pete; Fred Hanneman, Slim Bailey; Hugh McRoberts, Captain Jeremiah Kidd; Merrill Womach, Robert Trent; Juanita Bryan, Judy Jennings; Patience Schroeder, Mrs. Mehitable Todd; Wynona Pernel, Nancy Todd; Virginia Greenough, Miss Patricia Pettigrew; La Verne Kent, "Dutch" Schneider.

The story concerned Captain Jeremiah Kidd of the pirate ship, "Black Death," who cap-

tured a boatload of touring students and pressed them into service. The captain appointed the erstwhile tour director, Bob Trent, as first mate, much to the disapproval of the pirates, Jake and Pete. Captain Kidd opened up a cabaret aboard ship. Waitresses and entertainers were added to the crew performers when Miss Pettigrew and a number of her charges, including Nancy and Judy, were made prisoners. The Black Death was later tied up to a wharf near where Nancy's mother operated a tea room. The renewal of acquaintance by Bob and Nancy, the exposure of Pete, the discovery of Mrs. Todd's long-lost husband, and the revelation of Nancy's parentage were all related as the plot unfolded.

The stage setting for the operetta was constructed by the stage crew including: Jack Henry, manager; Dan Crandell, electrician; Ernest Gerlach, assistant electrician; Jim MacDonald, booth; Jeff Overholser, curtain; and Shirley Stablein, flyman. These boys were also in charge of the lighting effects.

The set was painted by Nadine Blomgren,

## Stage Crew and Dramatics

THE SPEECH and dramatics classes and the stage and scene for many activities the past two semesters.

The presentation of an original skit by one of the speech classes at a football pep convocation has become an annual occurrence. Under the direction of Grace Douglas Leonard, the third period speech class, this year, gave a skit Oct. 29 which centered around "Chief North Central," played by Owen Richardson and his troubles with the Gonzaga Bull-pup. On Nov. 5, the period 2 speech class participated in the

Ranger Broadcast, heard weekly at all the grade schools. The play they presented told the story of a little French girl who escaped from a Nazi prison camp to Russia.

Among the activities of the senior dramatics class was the evening radio program "North Central Highlights" which they presented every two weeks under the direction of Bryson L. Jaynes. Other activities included aiding in the fire prevention campaign by giving a short radio skit over station KGA on Oct. 5, and presenting a one-act comedy, "The Eve in Evelyn," at an invitational convocation. Members of the same group took part also in a play given over station KFPY on the Air Service Command program. The story of the play was the assassination of President Lincoln.

At the end of the fall semester, Grace Douglas Leonard resigned as instructor of the dramatics and speech classes at North Central. Her direction of the dramatics in the operetta, "Blow Me Down," presented Dec. 10 and 11, was her last major production here. During her years at North Central, Mrs. Leonard supervised and directed the presentation of 25 senior class plays, and 14 operettas. San Francisco is her new home. Mr. Jaynes succeeds her in the position of dramatics instructor.

The stage crew, under the direction of Wayne Chapman, first semester, and Bryson L. Jaynes, second semester, has really as much responsibility in the success or failure of a production as the members of its cast. The boys have many duties, but their biggest problem is the house and stage lighting which is controlled by one of the best systems in the Northwest. The members of the crew were: Jack Henry, manager, Dan Crandell, Ernest Gerlach, Jim MacDonald, Jeff Overholser, Shirley Stabilein, Lynn Deno and Lawrence Sjoberg.

## Lively Cons Presented

THE STUDENT BODY of North Central has seen a great variety of convocations this past year.

Starting off the fall semester on Oct. 1 was a pep convocation to introduce the ten senior Red Feather candidates for Football Princess. On Oct. 7 the chosen Princess, Patricia Marten, was presented with the traditional Indian bracelet by George Oatman, president of the Associated Student councils. Her attendants were Janice Mitchell and Wynona Pernell. The Red Feather group, aided by the Pep band, presented an Indian program against the background of teepees formed by the Red Feather girls.

The Armistice day convocation was given by the Color Girls, under the direction of Mrs. Gladys Dunphy. Superintendent of Schools, John Shaw, was the principal speaker and members of the Color group entertained. Preceding the program, the fall letter awards were given.

In observance of National Book week, Amores Librorum sponsored a program on Nov. 16. "Romeo and Juliet," a one-act comedy, presented by the senior dramatics class, under the direction of Grace Douglas Leonard, was featured. Mack Worthen, president of Amores Librorum, awarded prizes to Joyce Kirk, for submitting the best list of ten books for purchase for Baxter hospital, and to Nadine Blomgren, for making the best poster for the library display rack.

The Christman convocation on Dec. 17 was under the direction of C. Olin Rice, head of the music department. Christmas readings were given and the operetta chorus sang several numbers, the audience joining with them to sing carols.

The band presented a program on Jan. 27, under the direction of Lowell C. Bradford. They played a variety of classical, popular, and novelty numbers. Highlight of the performance was "A Blind Man's Movie," narrated by Lewis Stephenson. The trumpet quartet played and a Pep band number concluded the program.

On March 3, the three high schools, Rogers, Lewis and Clark, and North Central, combined their talent and presented convocations at each of the schools for the purpose of aiding in the Senior Red Cross membership drive. Each school contributed three acts and five members to the all-city pep band, which was one of the main features of the program.

# Sports

On field and track we'll never lack,  
And win thee honors too

# Football

THE 1943 football season was not one of success. This may be attributed to several causes. The forward wall, with the exception of Buck Hill, tackle, was made up entirely of non-letter winners. Although the line did not look too good in the first two games, they showed great improvement throughout the rest of the season.

The backfield men, letterwinners of last year, were light, and because of that the Indian team did not have a consistent ground gainer. North Central failed to have any offensive punch until about the middle of the season; and then, because of their prevailing bad luck, they were unable to capitalize on it.

One of the best games of the season was the contest between the Indians and the Bullpups of Gonzaga. North Central, after being behind 13-0 in the third quarter, scored three touchdowns to go ahead 18-13 with four minutes left to play. Then Gonzaga took to the air and scored a touchdown, with the game in its closing stages, to win 20-18.

Bill Taylor, because of his steady playing at guard position, was the only Indian to make the All-City first team. Frank Miyaki and Doug King were named on the All-City second team.

Marv Carr, senior halfback, was elected captain of the 1943 football team. He also was captain of the 1942 squad. Buck Hill, tackle, and Frank Miyaki, halfback, were voted as the inspirational players of the team.

Don Bonamy, grid coach of the 1943 football squad, finished his first year as mentor of the Indian team. He came from Raymond, Washington, to replace Coach Archie Buckley, now a lieutenant in the United States Navy. Assistant coach was Guy Barnes.

Letterwinners of the 1943 season were: Two-year lettermen, Marv Carr, captain, Frank Miyaki, Dal Vander Meer, Bob Parker, Glade Best, Ed Bray, Bill Washburn, Buck Hill, and Dick Nygaard.

Winning their letters for the first time were: Jack Cave, Orin Stratton, Dick Soth, Larry Ellison, Bill Curn, Bill Taylor, Doug King, Jerry Klise, Bob Allen, Lee Wright, Bob Beckman, Stan Roderick, Art Cosby, Jack LaRue, and Cliff Schultz. Walt Gustafson was the manager for the squad.

Others on the squad were: Bill Sweet, Earl Carrier, Bill Graham, Harold Heber, Jerry Pomeroy, Bob Denning, Floyd Crowe, Bob Palmer, Harold Crowston, Jack Weller, and Francis Mosso.

Front row, left to right: Jeff Overholser, Ernie Gerlach, Harvey Williams, Roy Craddick, Dan Crandell (captain), Jack Henry, Lee Wright; second row, Jim MacDonald (manager), Buddy Moe, Cliff Schultz, Lewis Stephenson, Bob Hagle, Sam Hunter, G. O. Barnes, coach; third row, Bob Leach, Al Wilson, Paul Ward, Bob Palmer, Paul Ross. Lower left: Dan Crandell (captain); lower right: Ernie Gerlach, Jeff Overholser, inspiration players.

## Basketball

"IT'S IN!" "No it's out!" "Look at that shot!" "Foul? That guy's blind in both eyes!" This is not a movie thriller. It's a game at the Armory. Thousands of cheering, yelling, screaming, high school guys and gals are cheering their teams on to greater spurts of valor, fight and victory.

"Make that shot Dan!" "Isn't he handsome!" "Look! Mortlock's shooting!" A brown object goes sailing toward the hoop. For a second it pauses on the hoop, rolls around the rim and then gently falls through

the net. Thus the curtain closes on the 1944 basketball season in Spokane. This has been one of the greatest seasons in the history of the city series.

North Central's position in the city series was of utmost importance. Paced by Dan Crandell, leading scorer of the city and Chronicle all-city selection, the Indian team severely threatened all opposition. In the opinion of many, the team was of championship caliber, with such a smooth combination of stars as

Standings	Wins	Losses
Lewis and Clark.....	8	1
Rogers .....	6	3
North Central .....	2	7
Gonzaga .....	2	7

Crandell, Overholser, Gerlach, Henry, Williams, Wright and Craddick. Although the Indians captured only two games in the regular season, they lost all but one of their games by a narrow margin. The Indian team was marked as a hard charging club, with a fierce will to win.

Dan Crandell led all opposition to capture the city scoring race with 104 points, just one

free throw ahead of the Tiger's Jack Mantor. Jeff Overholser was second among the Indian scorers with 70 points. Overholser was one of the finest shots in the city with a high average of shots made.

Overholser and Gerlach received the coveted inspirational award. The play of all the teams in the race was clean, skillful and exciting.

First row, left to right: Coach Guy O. Barnes, Don Haworth, Orin Stratton, Tom Marsden, Jack Stafford, Charles McCartney, Bob Palmer, Art Cosby, Morris Keifer, Harvey Williams, Merrill Womach, Neil Powell; second row, Bob Withrow, Bill Sweet, Jack Cave, Bob Hagle, John Ryder, George Beck, Jerry Houston, Bob Leach, Jerry Hubbard, Paul Lloyd, Hal Morrill, Harold Wiggs; third row, Leo Burns, Walter Mastch, LaVerne McVeigh, Jerry Gilbert, Elden Miller, Bob Chappell, Dick Hawes, Bill Eby, Rudy Cozzetto, Herb Rhinehart, George Smith, John Isaac, Bob Southwell; fourth row, Kenny Trent, Eldon Forsythe, Clyde Spalding, Chester Morton, Wilton Bursch, Al Wilson, Wesley Stone, Grover Clark, Larry Ellison, Jack Holt, Harold Blume.

## Track

THE NORTH CENTRAL Indians officially opened the 1944 track season with a brilliant prospect of gaining the championship. Under the leadership of Coach Barnes and paced by such outstanding talent as Harvey Williams, Don Haworth, Orin Stratton, Jack LaRue and Art Cosby, the Indians appeared to be the team to beat.

Harvey Williams, North Central's outstanding athlete, was the key man on the Indian squad. He participated in the sprints, low hurdles, shot, broad jump and relays. He was leading scorer for last season and is expected to repeat this season. Another letterman who was depended on most of the season for wins was Don Haworth, one of the city's leading distance men. The other two distance lettermen are Art Cosby and Charles McCartney.

These three boys are possessed of great stamina and turned in good performances all through the season.

At pole vault, the Indians have Orin Stratton, who improved his jumping immensely as the season progressed. Jack LaRue and Morris Keifer were back to sling the shotput.

Another boy who was depended upon for lots of points was Merrill Womach. Womach participated in the distance races, pole vault and broad jump.

Others on the squad were: George Smith, distance; Al Wilson, high jump and high hurdles; Tom Marsden, high jump and high hurdles; Jerry Pomeroy, low hurdles and sprints; Jack Stafford, low hurdles and sprints; Neil Powell, sprints; Bob Palmer, pole vault.

*Front row, left to right: Wally Isaacson, Ray Simonson, Bob Anderson, Bill Graham, Bob Allen, Doug King, Bob Lyons, Grover Clark, Dick Washburn, Bill Taylor; second row, Dick Froistad, Bob Hagle, Howard Snyder, Stan Roderick, Earl Carrier, Harvey Williams, Frank Miyaki, Sam Hunter, Paul Ward, Bob Bailey; third row, Merle Derrick, John Perko, Eugene Grandinetti, Dick Kirkendahl, Bill Sweet, Gilbert Seamen, Bob Palmer, Bill Jones, Merrill Womach, Robert Buckholz, Don Townsend, Paul Bardsley; fourth row, Bob Johnson, manager, Jerry Gilbert, Bryan Arnone, Jack Morelock, Jerry Hubbard, Don Olstead, Claude Benner, Wade Bratton, Harold Bloom, Dave Boswell.*

## Baseball

STARTING in the coldest of March weather, the North Central Indians officially opened the 1944 baseball season with a new coach, eight returning lettermen and some very likely prospects for the 1944 season. Don Bonamy, who is also the football coach, replaced Bob Barnard as coach of the Indian nine.

Starting in the outfield, the Indians have powerful Doug King. He should weigh the Indian power this year if he catches his batting eye.

In the infield, the Redmen have Harvey Williams in the hot corner. Bob Anderson, infielder from last year, is out for short stop.

Anderson has also had previous experience in the outfield. Frank Myaki is the probable for second base while first base had yet to be decided at the time of this writing.

Only returning lettermen pitcher to the Warrior nine is Wally Isaacson, capable side arm pitcher. Two other probable pitchers who saw action last year are Bill Taylor and Bob Lyons. Another excellent pitching candidate is fireball hurler Bill Graham. Besides being a good all-around player, Graham is a powerful hitter.

The schedule included three games with each school. First game of the season was played on April 18 with Lewis and Clark and the last on May 23 with Gonzaga.

Front row, left to right: Owen Richardson, Larry Nobles;  
back row, Ernest L. Hix, coach; Lewis Stephenson, Jack  
Tellefson, Al Wilson, Cliff Mast.  
Picture at right: Larry Nobles, Dick Soth, city doubles  
winners. Soth is also city singles champion.

## Boys' Tennis

PACED by five returning lettermen, the tennis team, coached by Earnest L. Hix, opened the season on May 15 against the Rogers netsters. Although North Central's two leading players of last year's championship outfit are graduated, the team has a fine assortment of talent.

The Indians under Coach Hix have captured eight city championships and the prospect of another title seems very good. The two leading members of the team are Lewis Stephenson and Larry Nobles. The other three lettermen are Bud Richardson, Jack Tellefson

and Bud Richardson. Others turning out were Paul Burgess, Bill Deno, Winston Duchow, Bill Koelor, Ray Marcoe, Bill Meisner, Ron McKinney, Doug Tellefson, Ken Warren and Al Wilson.

The spring schedule follows:

- May 15—Rogers at N. C.
- May 17—L. C. at N. C.
- May 22—N. C. at Gonzaga.
- May 24—N. C. at Rogers.
- May 29—N. C. at L. C.
- May 31—Gonzaga at N. C.

Bottom picture: Buddy Moe.

## Boys' Golf

"UNDER the spreading chestnut tree," a little golfer stands. "That blankety blank course," he mutters.

For more than 30 minutes he has been swinging his club at the white object on the tee trying to take his ball out of the sand trap. But alas! As he swings mightily down towards the cool grass, a little golf Gremlin moves the tee ever so slightly and the golfer lands on his head, while the ball rolls down the canyon.

On March 31, four returning lettermen and four very promising newcomers attended the initial meeting of the 1944 golf season. "Al-

though I never predict a championship for the squad," Coach Walter C. Hawes said, "this year's team looks very good."

"One of the most promising additions to the Indian squad is the well-known city star, Bud Moe. Moe is well known for his golfing ability throughout the state and ranks with Spokane's top amateurs."

Boys turning out include: Bob Lyons, Bob Wohrle, Ray Beeber and Ray Simonson, all returning lettermen. Boys new to the team, all from Havermale, are: Buddy Moe, Ted Williams, Bob Bleck, and Dick Kirkendahl.

"S'TR-R-R-ICK three. You're out!" "Why, I am not." "Oh, yes you are." "Hit that pill, Mary Lou!" "Where did she put that bat?"

Although Joe DiMaggio, Red Ruffing or Babe Ruth might not recognize it, the fact remains that this is *the* baseball jargon of some of the best players on the girls' softball teams.

In charge of the softball teams were Miss Isabel McElwee and Miss Doris MacNamara, cadet from W. S. C. Manager and assistant manager are Delores Marcoe and Elizabeth Huerlin.

## Girls' Tennis

THE TENNIS season began with a bang this year when, in the first tournament, which was played at North Central, our team defeated the West Valley team by the score of 10 games to 3.

The most exciting part of this tournament was the doubles match between the two number one doubles teams. Janice Mitchell and Elaine Smith of North Central lost the first set 2-6 and won the next two sets 12-10 and 6-4.

A second thrilling tournament was played between Rogers and North Central. The North Central team successfully defeated the Rogers' girls by the score of 17 matches to 4, thereby winning the second straight tournament and giving the girls a good chance toward the coveted championship.

The deciding tournament was North Cen-

tral against Lewis and Clark which was played on the following Wednesday. With a score of 10 matches to 5, the unconquerable N. C. girls triumphed over the South Side rivals, thus taking the city title.

Captain of the fall season was Elaine Smith who was graduated in January. Managers for the fall season were: Jo Smith and Marilyn Berggren. Assistants who later became managers for the spring season were: Colleen Wolfe, Elizabeth Fruin and Lynn Meister.

The spring team was captained by Kathleen Kohles who holds her letter and a captain's star.

Seniors who were graduated in January and who hold their letter and two stars are: Marilyn Lincoln, Maryella Stevens and Marcella Christian.

Girls who turned out were: Dorothy Bleck, Jeanette Carlson, Beverly Deckleman, Laura Eger, Arvilla Goodloe, Pat Hall, Barbara Jerrow, Donna Jacobsen, Kathleen LaDow, Ruth Latta, Mary Ann Lucas, Donna Pashek, Carol Quam, Lois Ramsey, Jackie Schussler, Georgia Shields and Camilla Tatman.

Derce Quackenbush, Beverly Tschirgi, Beverly Ulrich and Janet Walker who were unable to be in the class, tried out for the team, with the understanding that they would play their holes and put in as much time as the other members of the class.

Miss Wilhelmine Timm is the coach and Neil Christian, golf pro at Down River, is the instructor.

In connection with the coaching, Miss Timm gives the girls instruction in the proper golf procedure and rules. Mr. Christian instructs them in the puzzling technique of swings and also the art of handling and using the different clubs.

Maryella Stevens acted as captain last year and Janet Walker was manager.

Dorothy Bleck, Beverly Deckleman, Beverly Tschirgi, Beverly Ulrich, Barbara Jerrow and Janet Walker were members of the team last year.

A tournament with Lewis and Clark at Downriver golf course was held on May 15 and 29.

## "SMOOTH OE'R THE ICE!"

It might not be smooth going for everyone, but regardless of their ups and downs, many boys and girls enjoyed a pleasurable season of skating this year.

Under the able direction of Miss Pinkham and Miss Wilhelmine Timm, a figure skating class which started on Oct. 28 and met every Thursday afternoon at the ice arena, continued successfully until the end of the season.

Both Miss Pinkham and Miss Timm received additional training in figure skating last summer, Miss Pinkham at the rink of Guy Owen and Marybelle Vincent in Berkeley, California; and Miss Timm in St. Paul, Minnesota. Both have done considerable skating at Sun Valley, Idaho.

Members of the figure skating class were: Mary Jane Grossman, Beverly Hale, Donna Jacobson, Barbara Jerrow, Joyce Kirk, May

## Swimming

THE RED CROSS swimming exhibition on Wednesday evening, December 15, marked the opening of the North Central swimming pool, which had been closed for years.

Taking part in this exhibition were ten North Central girls: Areta Dorn, Doris Nelson, Colleen Wolfe, Marjorie Dean, Helen Lenke, Maxine McDougall, Pat McDougall,

Virginia Huerlin, Elizabeth Huerlin and Doris Lohr.

In charge of girls' swimming are Miss Elsa Pinkham, Miss Isabelle McElwee and Miss Doris MacNamara, cadet from W. S. C. Girls knowing little or nothing about swimming learn the fundamental strokes in the shallow end of the pool under the direction of one of the teachers. The rest of the girls practice advanced swimming, life saving and diving in the deep end. Swimming contests are held after school.

The boys, however, compete in their regular classes. Objectives in boy's aquatics are: To be at home fully clothed in the water, to stay afloat a long period of time, to swim long distances without exhaustion, to enter water without submerging, to render aid to one another in the water, to swim under water. Fundamental strokes, endurance swimming and life saving were taught.
